PROFESSIONAL SUMMARY

Iam a results-driven Finance professional with experience in front office, back office, customer care, and accounts operations. I am skilled in credit appraisal, loan processing, risk assessment, and maintaining high-quality loan portfolios (PAR). I am proficient in accounts payable and receivables, bank reconciliation, account support, client onboarding, and resolving customer issues professionally. I possess strong analytical skills, supported by proficiency in data analysis, Microsoft Office, and training in Six Sigma and cloud technologies. I am experienced in delivering excellent customer service, enhancing operational efficiency, and ensuring compliance with financial procedures. I am committed to continuous learning, building strong client relationships, and contributing to organizational success through accuracy, integrity, and effective problem-solving.

WORK EXPERIENCE

VISION FUND KENYA - Relationship Officer (Casual) (Aug 2025 - December 2025)

Roles and Responsibilities:

- Promoting products and services to existing and new customers.
- Analyzing clients' financial status, credit histories, cash flows, and collateral to assess risk.
- Evaluating applicants' business financial statements and use them to make informed decisions.
- Ensuring all documentation (credit reports, business plans, collateral) are properly collected, verified and filled.
- Updated credit records to reflect new changes.
- Maintained accurate and up-to-date records of applications, approvals, and payments.
- Assisted the admin in loan booking, updating client information, registering new clients, customer support, communication with different departments, chattels combinations, and others.

DIGITAL DIVIDE DATA - Quality Assurance Auditor (Aug 2023 - July 2024)

Roles and Responsibilities:

- I completed assignments using multiple reference guides and operating procedures – they gave guidance on changes that need to be made for accuracy.
- I recommended solutions to tasks that are not within defined processes and procedures proactively.
- Audited mapper tasks daily to ensure accuracy and compliance – Mapping the annotators' tasks reduced failure rate and improved the service legal agreement before it reached the client.
- Reviewed and annotated medium-risk audios, videos, texts, and images according to predefined descriptions.
- Actively organized and participated in meetings, providing updates on project progress, sharing best practices, and addressing challenges

WAKENYA PAMOJA SACCO - Accounting Associate (Jan 2023 - Aug 2023)

Roles and Responsibilities

- Processed deposits, withdrawals, and balance inquiries accurately.
- Managed accounts payable and receivable.
- Performed bank reconciliations and ledger reconciliations.
- Reconciled daily transactions and resolved discrepancies.
- Prepared journal entries and assisted with monthly closing processes.
- I assisted in budgeting, financial analysis, and forecasting.
- Maintained books of accounts.
